The German crown prince is getting a foretaste of what is coming to him.

Along with the other canvassers, the boy scouts are deserving of much praise for the enthusiastic way in which they set about the sale of Liberty bonds.

Teddy Roosevelt's "Shoot the way you shout" takes its place as a famous saying along with that expression coined in Vermont back in 1902—"Vote as you drink."

If the withdrawal of German troops from the Riga front should be followed by the cessation of quarreling among the Russian people at home it would be a splendid development of the war; but it is probable that the relieving of the partial pressure by the enemy will be the signal for increased bickering, if not for increased bloodshed.

The response of the people of Barre and vicinity to the call of the Barre City hospital for supplies was generous as usual, despite the many drains which are being made upon their resources as the result of the war. The donations made on the occasion of "bag day" were most gratefully received and they will go far toward lightening the financial burden that the institution is carrying in these days of excessively high prices.

There is just one more day before the great drive for the second Liberty loan ends. It ought to be a day full of activity among bond buyers right here in Barre. The banking institutions of the city ought to be busy attending to the wants of the public in this matter. Have you bought your bond to show your cooperation with the United States government? If not you should take this last opportunity before the campaign is concluded. The banks of Barre are to remain open Saturday evening in order to accommodate all.

SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to Flush Kidneys and Neutralize Irritating Acids.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Adv.

Mr. Smith went to Washington, D. C., last Monday.

Ruth and Richard Martin and Francis Irons, students of Brigham academy, Bakersfield, are at home for a few days' vacation during the teachers' convention at St. Albans. As they were in school all day Wednesday and started for home late in the afternoon, they did not arrive in Barre until 2 a. m. Thursday morning, where they found Mr. and Mrs. H. T. Martin waiting for them, and they arrived at home about an hour later.

BEST LIVER AND BOWEL LAXATIVE FOR FAMILY USE

"Cascarets" Regulate Women, Men and Children Without Injury.

Take When Bilious, Headachy, for Colds, Bad Breath, Sour Stomach.

Instead of nasty, harsh pills, salts, castor oil or dangerous calomel, why don't you keep Cascarets handy in your home? Cascarets act on the liver and thirty feet of bowels so gently you don't realize you have taken a cathartic, but they act thoroughly and can be depended upon when a good liver and bowel cleansing is necessary—they move the bile and poison from the bowels without griping and sweeten the stomach. You eat one or two at night like candy and you wake up feeling fine, the headache, biliousness, bad breath, coated tongue, sour stomach, constipation, or bad cold disappears. Mothers should give cross, sick, feverish or bilious children a whole Cascarets any time—they are harmless and safe for the little folks.—Adv.
